THE LARGEST EXCLUSIVE BLUEBERRY PLANT
GROWERS IN NEW JERSEY

PLACE ORDERS EARLY

To meet your customers' demands for Blueberry Plants for family gardens and shubbery, we suggest that you place your order early and avoid disappointment. We invite you to visit our nursery at any time and inspect our propagating beds and nursery fields.

September, October, November, March, April and May are the best months for transplanting.

IMPORTANT: Specify shipping date, whether Fall or Spring.

NO PACKING CHARGE

Plants are shipped Parcel Post only, (unless otherwise specified) bare root, packed in moss and wrapped in burlap, or equivalent, shipping charges C. O. D.

If New Jersey State Department of Agriculture Certificates are desired, PLEASE REQUEST SAME WITH ORDER, otherwise order will be shipped without certificates.

OUR GUARANTEE

We guarantee our nursery stock to be first class in every respect, free from disease freshly dug, true to name, and to leave our packing house in good growing condition. We will, at our option, replace free of charge or make refund of purchase price on any shipment which arrives in bad condition, PROVIDING claim is made within five days after arrival of Plants, with a SIGNED statement from your postmaster, showing the extent of damage. Report any error on our part, or any other complaints, within five days after receipt of shipment.
